Response to the Reviewers' Comments

Your Manuscript Title

(Manuscript ID: YOUR-MANUSCRIPT-ID)

Dear Editor and Reviewers,

Thank you for your careful evaluation and constructive comments. We have revised the manuscript and provide point-by-point responses below. Revised passages are highlighted in red in the marked manuscript.

The main changes are summarized as follows:

- Describe the first substantive revision.
- Describe the second substantive revision.

Note: All section, figure, table, and page references below refer to the revised manuscript. Replace every placeholder before submission.

Associate Editor

1. *Comment: Insert the editor's comment verbatim.*

   Response: Provide a direct, specific answer and explain the action taken.

   Changes made: Section X, page Y, lines Z–Z.

Reviewer 1

1. *Comment: Insert the first reviewer comment verbatim.*

   Response: Explain how the concern was addressed and summarize the evidence supporting your answer.

   Changes made: Section X, page Y, lines Z–Z. The revised passage reads:

   > Insert the exact revised passage from the manuscript.

2. *Comment: Insert the next reviewer comment verbatim.*

   Response: Provide the response. If a requested change was not made, explain the reason respectfully and support it with evidence.

   Changes made: Identify the location, or explain why no change was made.

Reviewer 2

1. *Comment: Insert the reviewer comment verbatim.*

   Response: Insert your response.

   Changes made: Section X, page Y, lines Z–Z.

Thank you again for your time and constructive feedback.

Sincerely,

The authors
